

# The Scottish Mathematical Council

## MATHEMATICAL CHALLENGE (INDIVIDUAL ENTRIES)

### Registration Fee 2025–2026

Participating individuals are required to pay a registration fee. The fee covers both sets of problems. The entry fee is £8 for an individual pupil. This covers either the two secondary rounds or the three primary rounds. A cheque made payable to

#### **SMC Mathematical Challenge**

should be attached to this form (but see below) and

**returned with the first set of solutions.**

Details	Name	.....
	Telephone	.....
	Address	..... ..... ..... ..... .....
	Education Authority (where appropriate)	.....
Contact person	Name	.....
	email address	.....

**Payments:** we prefer to be paid by cheque but if this is not possible we will accept payment by BACS. Our account is:

SMC MATHEMATICAL CHALLENGE

The details are: **83-06-08 1054 8147.**

The reference you provide **must** include the school postcode followed by the school name.

### **Data Protection**

Our policy is on the next page. By completing and returning this form we will assume that you have read it and accept it.

## **Data Protection and Privacy Policy for the SMC Maths Challenge**

In the following, the data referred to is stored on the computer used for entering pupil and school details and for recording pupil performance. Access to all such information is password protected.

For each **entrant** the data stored is:

- surname, other name, school, year of study, and (after marking) the marks for each question. Permission to record this data is given by completing the tear-off form attached to the solutions.

For each **school** the data stored is:

- school name, address, phone, Primary or Secondary, LEA (Local Education Authority area), whether independent, contact teacher name and e-mail, and other information you want to add (if any).

**Teachers** have access, by logging in with their username and password, only to the data for their own school and its entrants, and are responsible for communicating results and awards to their entrants.

**Section Organisers** have access, by logging in with their username and password, only to data about schools and entrants within their own Section.

Designated members of the Maths Challenge National Committee have access, by logging in with their username and password, to all the data in the database to facilitate running the challenge.

No data will be kept for more than 4 years. This would allow for production of comparative reports over 3 years for the Scottish Mathematical Council Journal.

The data is stored on a secure server.
